QUESTIONNAIRE OF SELECTION OF INDUSTRIAL WASHER

Company name:

Street:

Zip code / city:

Person handling the case:

Phone / Fax:

Industry:

Type of production:

CURRENT TECHNOLOGY OF WASHING ELEMENTS

1. 1. Does the company have and use industrial washers?

Quantity of washers

Yes No

2. Type of device / manufacturer

3. Type of used cleaning agents (trade names)

4. Current method for washing elements

a) 1/2/3 shifts

b) Basket size [LxBxH]

Load

Number of baskets/h

11. What cleaning results should be achieved after cleaning process?

Acceptable amount of contaminants on the surface [mg/m²]

Other criteria and methods of cleanliness rating

12. Are there hollows / blind holes in the washed elements where the cleaning agent can accumulate?

Yes No

13. Dimensions of elements (indicated drawings) [LxBxH]

14. What is the further processing of washed elements?

Galvanic treatment	Oxidation	Phosphate treatment
Varnishing	Assembly	Disassembly
Gluing	Sealing	Hardening
Storage	Welding	Soldering
Other - please specify		

15. How will transport to the washer be organized?

Roller conveyor	Conveyor belt	Plant conveying device
Overhead conveyor	Chain conveyor	Manually
Other		

16. How will collection of elements after washing be organized?

Roller conveyor	Conveyor belt	Plant conveying device
Overhead conveyor	Chain conveyor	Manually
Other		

17. To what throughput should the washer be adapted?

a) Preferred dimensions of the basket in mm [LxBxH] [Ø]

b) Throughput - number of baskets per hour

c) Weight of the basket with details [kg]

18. Is the washer going to be equipped with a distillation unit?

Yes No

19. Would you like an offer for filter-loop assembly for insoluble contaminants?

Yes No

20. What is the available surface for installation of the washer? [L x B x H] in meters

21. Where is the washer expected to get located

Ground level Basement Storey

22. Ambient temperature of the washer [°C]

23. Expected date of delivery of the device

24. Expected / estimated budget

25. Additional information

Date

Town / City

Signature
